- Convenient location for beaches and Quay

A beautifully refurbished two-bedroom apartment with stunning panoramic views across the harbour and Town Beach. Harbour Heights forms part of The Quays, an attractive and characterful property. The original granite house dates from around 1800, with a substantial three-storey extension added on the beach side during the 1970s. Formerly known as Grays, the building is now called The Quays. Accessed from Hugh Street, Harbour Heights occupies the top floor of the building, with its elevated position making the most of the wonderful views across harbour, beach and surrounding town. The apartment has been fully refurbished to provide bright, comfortable and contemporary accommodation. It has two bedrooms: a main bedroom with an en-suite shower room and super king zip-and-link bed, which can be arranged as twin beds on request, and a separate twin bedroom. There is an open-plan kitchen, dining and living area, with wonderful views providing the perfect backdrop for relaxing after a day exploring the islands.

Harbour Heights is ideally positioned for making the most of your stay. The harbour and departure points for daily boat trips are just a stroll away, making it easy to explore the surrounding islands. Local shops, cafes, pubs and restaurants are also close at hand, while Town Beach is right on the doorstep.

At the front of The Quays is a shared entrance porch used by both apartments.
